Dearest Aunt Dorothy,

As I write these words, I cannot help but to think of the great impact you had in my life. You taught me how to live life to the fullest and no matter the circumstances God would see me through. Your smile and laugh and cooking always made things better. I am saddened we did not have more time together, but I thank God that you were a part of my life and will forever and always cherish your sweet, sweet soul. I love you Auntie now you can take your rest.

Sincerely your favorite Nephew -Moonie ❤️

## I'll Be Seeing You

I am at rest, so don't you cry, it will be easier as time goes by. I've done my best to have a good life, for I know I did. As my body lies here, It's only a shell. God has called me home and my job I've done well. Now I'm happy and very content. I have no worries, pain, or fear because I'm with God so dry your tears. I love you all and this is what I want you to do (put God first in your life) and I'll be seeing you.  
-Margaret Heard
